2. Read abstract statements of receipts and expenditure together with a Memorandum drawn up on review of those statements for the year 1892-93.

Resolved that they be approved and published with this proceedings.

3. The following proposals were advanced at the meeting and they were dealt with as follows:—

4. Read resolution of the Municipal Board, Sargur under date the 18th March 1893, in which Member Venkat Setti has agreed to place at the disposal of the Board his tiled house behind the Police Station at Sargur for the purpose of locating the Local Fund Dispensary therein.

In this connection the President pointed out that it has already been decided in the Boards proceedings of the 9th March 1893 that the entire cost of the proposed dispensary at Sargur should be debited to Local Funds, provided that the people of Sargur and Nemnahalli Hoblis provide a building for the dispensary at their own cost.

Now the people have come forward to place a building at the disposal of the Board for the purpose.

Resolved that recommendation may be made to Government to move the Senior Surgeon to arrange for the opening of the dispensary in it.

5. Read docket No. 814, dated 15th April 1893, from the Vice-President, Mysore City Municipality, forwarding for consideration of the Local Fund Board copies of the resolutions of the Municipal Board under date the 29th August 1892, in regard to the entertainment of two midwives at Rs. 12 and 10 respectively and increasing the pay of the cook and gardener attached to the Maharani's Hospital and also for equalizing the pay of the establishments attached to the Old Agrahar and Irangere dispensaries with those of the Taluk dispensaries.

Resolved that an increase of a rupee each may be granted to the cook and gardener so as to make their pay equal to Rs. 6 and 7 per mensem respectively and sanction be also obtained of Government for raising the salaries of the menial establishment attached to the Old Agrahar and Irangere

dispensaries to the standard of the Taluk dispensaries. With reference to midwives the Senior Surgeon should be requested to appoint only elderly women of caste and that monthly statements of cases attended by them should be submitted for the information of the Board.

6. Read docket No. 334 of the 13th July last from the Civil Surgeon, Mysore, requesting that sanction of the Local Fund Board may be obtained to pay the servants attached to the Irangere dispensary at the same rate as that obtaining in the case of other Local Fund Dispensaries.

Resolved that the Civil Surgeon may be referred to the resolution above passed wherein sanction to the proposal has already been accepted subject to the approval of the Government.

7. Read project put forward by the Executive Engineer, Mysore Division, for improving the Tirumakudlu-Narsipur—Chamrajnagar road with a request that sanction of the Board may be obtained for an estimate amounting to Rs. 7,204 for improving the said road as a first instalment as the Public Works Department Secretary has directed the Executive Engineer to improve the road by instalments from District Funds.

Resolved that the project be sanctioned.

8. Read Chief Secretary's Official Memorandum No. 1573 of the 5th June last forwarding for disposal petition from Narsimhachar and others praying for the construction of a drinking water katte near Hulagana Murdi Srinivasaswami temple, Gundlupet Taluk, and Mr. Assistant Commissioner Nanjundaraj Ars' No. 445 of the 2nd June 1893.

Resolved that the estimate for Rs. 500 recommended by the Assistant Commissioner Mr. Nanjundaraj Ars for repairing the katte to supply water to the ponds and wells below be sanctioned from the funds at disposal during the current year.

9. Read Proceedings of Government No. 8--202-92, dated 3rd July 1892, requesting to submit a copy of the Proceedings of the Local Fund Board approving of the supplemental grant of Rs. 2,000 made on account of Public Works.

Resolved that as the official year has already elapsed and the expenditure actually incurred has left a saving, there is no need to submit the supplemental Budget for an additional allotment required and the supplemental Budget called for by Government be asked to be dispensed with.

10. The Executive Engineer brought to notice that the construction of a tunnel on the 19th mile Mysore-Talkad road was necessary. He explained that out of the sanctioned estimate of Rs. 3,856, Rs. 1,718 were spent last year. The work was in progress but Rs. 2,138 were required to complete it.

Resolved that recommendation be made to provide funds for this work out of the savings at the credit of the Board.

11. Of the six members shown as having absented themselves Messrs. M. Ramachandra Rao, Mir Nizamudin Ali Khan and Srirangachar furnished satisfactory explanations for their absence. Mr. Davud Khan was absent from Mysore on private affairs. The remaining two members have been called upon to explain the reason for their absence.

12. Proposed by Mr. Amble Annaiya Pandit that the Vice-President whose office is no longer amalgamated with that of the Town Magistrate (Senior Assistant Commissioner) be made a member of the Board.

Carried unanimously.

13. Mr. Narasimha Upadhya proposed that the repairs of the Bettadapur-Frazerpet road were absolutely necessary and that the same might be taken up. The proposal was noted for consideration at the next Budget meeting.

14. With reference to the question of establishing tolls suggested by the Board in the last meeting for consideration of Government, Mr. Karve proposed that toll gates might be opened on the frontier stations of the principal roads named below and that the details of the probable revenue and the number of carts which pass over the roads might be called for from the Amildars.

The Board approved of the suggestion subject to such orders as Government may deem fit to pass in the matter.

REVIEW FOR 1892-93.

		1891-92.	1892-93.
Receipts from one anna cess on Land Revenue	..	Rs. 62,316	67,686
Difference	..	+5,370	

Statement No. 1.—The receipts show a net increase of Rs. 5,370. The Talukwar details are annexed. A decrease is observed in one or two Taluks, the largest being in Heggaddevankote namely Rs. 524. The reason for this difference has not been explained.

2. Statement No. 2.—The following table exhibits Talukwar the 76 per cent of the one anna cess credited to the funds during the year and the receipts under the other heads:—

No.	Taluks.	One anna cess on Land Revenue.						Difference.

	Total....	62,316	0	0	67,686	8	9	+5,370	8	9

3. *Income.*—The total receipts under all heads of District Funds during the year amounted to Rs. 58,182 as against 52,397 in the previous year, showing an increase of Rs. 5,785. To this income should be added the unexpended balance of the funds at the beginning of the year, *viz.*, Rs. 12,945 (*vide* statement furnished by the Comptroller). Thus the total assets of District Funds during the year was Rs. 71,127 at the disposal of the Board.

4. *Expenditure.*—Of the expenditure incurred during the year that under Civil Charges will first be considered. The accounts show that for the 11 months of the year, June 1893 excepted, (the accounts for which have not been received), a sum of Rs. 6,334 has been expended or taking an average amount for June namely Rs. 576, Rs. 6,910 for the whole year. This amount includes besides the usual charges a proportionate cost of the Local Fund Establishment maintained in the Dewan's office, the pay and scholarships of midwives while yet under training and the moiety of the cost of purchasing breeding bulls supplied to the Taluks of Mysore, Gundlupet and Hunsur.

5. *Conservancy and Sanitation.*—Rupees 4,300 were sanctioned in the Budget for expenditure under this head. Out of this amount Rs. 300 have been spent on the creeper plantation at Talkad. No general attempt was made by the Amildars to utilize the grant for Sanitary works though their attention was called to this subject in this office Circular No.

6. *Well works executed by the Revenue Department.*—A provision of Rs. 8,000 was sanctioned in the Budget of the District Funds for the construction of new wells and the repair of old ones where necessary. This provision was also supplemented by a further grant of Rs. 10,000 from the Local Funds General. The actual amount of outlay incurred on the several works executed by the Revenue Department has not yet been definitely known. But the advances made towards the execution of the works as per particulars yet ascertained, amounted to Rs. 4884. It is to be noted here that the marginally noted works which were completed at the close of the year and which cost Rs. 527 were not paid for as their completion reports had not been received in time. A Talukwar statement is appended of well works sanctioned and completed.
